PRODUCT UPDATE

Duomatt base plate for MVPS G3 plotter and MVPS G3-T Transportable plotter

Please be advised that the GPPED duomatt base plate part# 86621019 and the GPU duomatt base plate part# 86621021 have been replaced by the GPU A4 base plate part# 86621023.

Now only one base plate is needed for both the MVPS G3 plotter system and the MVPS G3-T transportable plotter system.

Please contact the Murrplastik Sales Office for additional information and technical support.
